Copyright Notice

All journals under SCISCAN PUBLISHING are open access. This means that all articles are immediately available for free upon publication. Articles in our publishing house's journals can be downloaded, shared, and reused without restriction at no cost, provided that proper citation is given to the original work.

This publisher upholds an open-access philosophy that prioritizes reader rights. Operating under Creative Commons licensing, we offer two primary options: the Attribution license (CC BY ) which permits unrestricted reuse with proper credit, and the Attribution-NonCommercial license (CC BY-NC ) for authors requiring additional protections. Our licensing framework meets rigorous international standards, including OASPA's reuse policies and DOAJ's open access requirements. Every SCISCAN PUBLISHING article prominently displays its specific CC BY or CC BY-NC license terms, clarifying all reuse permissions. Importantly, we only request a non-exclusive license from authors, meaning they maintain complete copyright control while enabling broad dissemination of their work without unnecessary restrictions.

Advance in Law is an international open source published by SciScan Publishing Limited. The journal was founded in July 2019 and is a quarterly publication. This journal mainly publishes cutting-edge research achievements in the field of law, aiming to contribute to law. Provide the latest theories and methods for researchers, staff in professional fields and teachers and students of related majors in colleges and universities. Promote the progress of law and research, facilitate academic exchanges and technological advancement.

The journal welcomes submissions across all domains of linguistic research, including but not limited to the following areas:

- Research on legal theory and legal history
- Constitution
- Administrative law and local legal system
- Civil and Commercial Law
- Criminal law
- Economic law
- Procedural Law and Judicial System
- International law

This journal accepts **online submissions only** (paper manuscripts will not be considered).

- **Online Submission Portal:** <https://www.sciscanpub.com/journals/al>
