### Licensing

All articles published in SCISCANPublishing journals are fully open access under the terms of the Creative Commons Attribution 4.0 International License (CC BY 4.0). Readers are free to:

Share — copy and redistribute the material in any medium or format for any purpose, even commercially,

Adapt — remix, transform, and build upon the material for any purpose, even commercially, so long as the authors are credited.

### Copyright

Authors retain copyright of all articles published by SCISCANPublishing journals. According to the terms of signature (CC BY 4.0) under the Creative Commons License Agreement, SCISCANPublishing also respects and recognizes the right to reuse. If the author wants to protect more rights and interests, this journal complies with the attribution-non-commercial use (CC BY 4.0) clause under the Creative Commons License Agreement to address the special requests made by readers. At the same time, the Creative Commons License Agreement meets the standards set by OASPA for reuse rights and DOAJ regulations. All articles published by SCISCANPublishing express copyright and reuse rights in accordance with the terms of the Creative Commons Attribution License Agreement (CC BY 4.0). SCISCANPublishing allows authors to grant a non-exclusive copyright to this journal. Therefore, with an open access publication, the publishing agreement will ask authors to agree to an open license that grants broad reuse rights to end readers.

*Guide to Education Innovation* launched in June 2021 is a quarterly international open - access journal published by SciScan Publishing Limited. The journal primarily showcases advancements and achievements across various branches of education. Its mission is to comprehensively reflect research outcomes in the field of education in China and to provide a global platform for education researchers and practitioners to disseminate, share, and discuss key issues and developments in the field.

The journal covers, but is not limited to, the following areas:

- Didactics
- History of Education
- Principles of Education
- Educational Management
- Sociology of Education
- Economics of Education
- Educational Psychology
- Educational Technology
- Preschool Education
- General Education
- Higher Education
- Adult Education
- Vocational and Technical Education
- Military Education
- Special Education
- Comparative Education
- Other related disciplines in education

This journal accepts **online submissions only** (paper manuscripts will not be considered).

- **Online Submission Portal:** <https://www.sciscanpub.com/journals/gei>
- **Editorial Office Email:** [submission@sciscanpub.com](mailto:submission@sciscanpub.com)
