Research on Art Design was founded in June 2026 and is a quarterly publication. It is an international open-source journal published by SciScan Publishing Limited. This journal mainly publishes academic papers and the latest research results related to the field of art and design. Its aim is to provide a communication platform for art and design researchers worldwide to disseminate, share and discuss issues and developments in different directions within the field of art studies.

The journal *Research on Art Design* covers a wide range of topics, including but not limited to the following fields:

- Art studies;
- Painting; Sculpture;
- Film art;
- Environmental art;
- Buddhist art;
- Aesthetics of art;
- Photography;
- Public art;
- Architectural art;
- Music performance;
- Digital media art;
- New media art;
- Art psychology;
- Sociology of art;
- Arts management;
- History of art development;
- Art design theory;
- Other disciplines in art design.

This journal accepts **online submissions only** (paper manuscripts will not be considered).

- **Online Submission Portal:** <https://www.sciscanpub.com/journals/rad>
- **Editorial Office Email:** submission@sciscanpub.com
