Advanced Management Research is an international open-access journal published by SciScan Publishing Limited, established in July 2019 and released quarterly. The journal aims to reflect the cutting-edge developments in the field of management, highlighting new advancements, trends, and achievements. It particularly welcomes innovative ideas, fresh perspectives, and original works from young scholars. Recognizing that new ideas and breakthroughs often require lengthy academic publishing and review processes, the journal is committed to accelerating the peer-review process, shortening publication timelines, and simplifying submission procedures to ensure the timely dissemination of novel thoughts and research.

The journal covers, but is not limited to, the following areas:

- Industry and Sector Management
- Decision Theory and Methods
- Business Administration
- Public Safety and Crisis Management
- Complexity Studies in Management
- Management Systems Engineering
- Accounting and Auditing
- Entrepreneurship and Small Business Management
- Risk Management Techniques and Methods
- Industrial Engineering and Management
- Public Policy
- Management Science and Engineering
- Behavioral Finance
